I wish to become a member of the National Coastwatch (NCI Penzance) ‘100’ Club. The Club with its monthly prize draw is an absolutely vital part of the funding for Penzance NCI. It goes a long way towards covering the fixed costs of keeping the lookout tower open.

I agree to pay, on request £1.00 per month as my entry to each monthly draw until such time as I cancel my membership in writing. (Normally collected as £12.00 for a year to reduce administration costs.)

Your club membership number will be sent to you prior to your first draw.

- £25 first prize every month
- £10 second prize
- £5.00 third prize

Please complete this form, and send with your cheque for £12.00 payable to NCI Penzance as your first year’s subscription, to:-
